Operational/CART/Name Trace

BRV Request for Traces on Prospective Employees
Hans Joachim LEYER and Otto BOETTCHER

1. The BRV has requested traces (through the COMOPAL element of OCA) on the persons below. Although the traces were requested on the grounds that the subjects have applied for "government employment", the COMOPAL liaison officer feels certain that since he received the request from Dept. II (Collection) of the BRV, the persons concerned are being considered for employment in a covert capacity by Dept. II.

a. Hans Joachim LEYER, born 22 Nov 01 in Pannig. A German national, LEYER resides in Luebeck at Wilhelm-Wissner Weg 45. He is a former Kriminalkommissar and is presently a sales representative.

b. Otto BOETTCHER, born 30 Nov 05 in Tollitz-Kolowen, Kreis Cuxbinnen. A German national, BOETTCHER resides in Grands near Trittau, Bezirk Hamburg. He is a leather salesman by profession and is now employed as a sales representative.

2. We have no traces on BOETTCHER. The LEYER mentioned here is apparently not identical with the Hans LEYERS of EDNA-8995, 19 April 1956, or with Hans LEYERS of EDNA-5438, 16 Nov 54.

3. POB: U.S. files only.
